### DESCRIPTION

#### CHILDZPLAY

From fun designs to the use of robust modern materials Childzplay has been designed to meet the rigorous requirements of today's children's environments, it has been specially designed with the needs of children's washrooms and play areas in mind.

Available in an impressive and colourful range of hardwearing finishes, it is playful, practical and perfect for use in any creche or reception washroom/play area.

Colour and design are key elements when transforming a washroom or play area into a bright, fun, imaginative place for children to be. The colourful Childzplay range combines the stimulation of young minds with a safe and hygienic environment. Perfect for creches, pre-schools, and primary level.
